Dear Sid:

Reference is made to your memo dated 17 November 1959 which requested your copies of the bi-monthly final status reports furnished by contractors.

It has been exceedingly difficult to pry loose this data on a periodic basis from some of the contractors. We have been able to obtain written reports from some companies, oral reports from some and nothing from others. Accordingly we will furnish you copies of the written reports we receive and a bi-monthly report recapping all data received during the previous two months.

I hope this will meet your requirements.

Dan
